6 - WEEK INTENSIVE (ADVANCED)

FALL 2019 COURSE OVERVIEW

INTRODUCTION

HELLO!

We're so glad you picked this up! This little booklet contains the overview of the 6-week intensive course SOW currently offers to existing worship team members or those who are about to join very soon. Students must have already completed the basic prerequisite of having previously completed Level 1 in previous years.

Our Vision is to raise up Spirit-filled worshippers who play skillfully on their instrument and are growing in the knowledge of God and their relationship with Him, unto His glory! We combine theological principles with the practicality of team ministry and growth in skills.

Ultimately, the goal of this 6-week intensive is that you would leave with tools that you would continue to nurture in your journey with the Lord.

We pray that you would find this course useful to your growth as a Worship Team member and a worshipper altogether.

Blessings,
Marianne Felisilda
Head, School of Worship

REQUIRED READING

Worship Matters : Leading Others to Encounter the Greatness of God
Paul Baloché, Bob Kauflin

This book focuses readers on the essentials of God-honoring worship, combining biblical foundations with practical application in a way that works in the real world.

The author, a pastor and noted songwriter, skillfully instructs pastors, musicians, and church leaders so that they can root their congregational worship in unchanging scriptural principles, not divisive cultural trends.

Bob Kauflin covers a variety of topics such as the devastating effects of worshipping the wrong things, how to base our worship on God's self-revelation rather than our assumptions, the fuel of worship, the community of worship, and the ways that eternity's worship should affect our earthly worship.
